Day by day

■ DAY 1

Portland, Oregon / Embark Ship

Arrive in the early afternoon in Portland, located in the shadow of snow-capped Mount Hood. Embark in early evening and enjoy wine and champagne as the ship sails under eight of Portland's 12 eclectic bridges along the Willamette River.

Arrival Time: Arrive by 3:00 p.m. local time.

Arrival City: Portland, OR

Meals included: dinner

◇ DAY 2

The Dalles / Hood River

Immerse yourself in natural and man-made marvels as you explore the scenic Columbia and pass through Bonneville Lock and Dam. Take a steaming cup of coffee to the bow where your naturalists offer honest perspectives on the controversial history of dams along the river. In the afternoon, make a stop at neck-craning Multnomah Falls before an optional hike of iconic Beacon Rock, a basalt column towering 848 feet above the Columbia River, or a visit to the Bonneville Fish Hatchery. Later, enjoy a private event with Syncline Winery at the Columbia Gorge Interpretive Center. Savor canapes and Syncline's distinctive wines as you take in 15,000 years of cultural history, including indigenous art and a massive working steam engine.

Meals included: breakfast, lunch, dinner

◇ DAY 3

Cruising the Gorge

Today, spend the day cruising through some of the most scenic and geologically interesting stretches of the Columbia River and the Columbia Plateau. Your geologists provide fascinating insight on the

glacial floods that sculpted the landscape 13,000 years ago, as your food and wine expert illustrates the expression of such unique terrain through its tastes and tannins.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Walla Walla, Washington

Drive through some of the most fertile agricultural areas in the nation, with bright, rolling green and purple fields of sprouting wheat, asparagus and famous Walla Walla sweet onions. In the morning, discover the thriving art scene on a guided tour, or choose to visit the Whitman Mission, a standout National Historic Site, where friction between Native Americans and white missionaries erupted into an event that continues to reverberate in American culture. After lunch at a local winery, explore charming downtown Walla Walla at your leisure, perusing local galleries, sampling sweets at the country's #1 candy store or popping into cozy tasting rooms.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Palouse River

The still water of the Palouse River is the perfect mirror for the surrounding basalt cliffs as you set off on Zodiac and kayak adventures. Later, visit Palouse Falls, where waters plunge 200 feet into a churning pool. These falls and the surrounding canyon with its towering cliffs, cavernous holes in the earth and winding water routes are part of geologically unique channeled scablands created by ancient floods. Before a special final dinner, raise your glasses to an unforgettable adventure through the food, wine and history of the Pacific Northwest.

Meals included: breakfast, lunch, dinner

**A U.S.-flagged vessel, she and her sister
National Geographic Sea Bird discover domestic waters**

Before they built the *National Geographic Venture* and *Quest*, U.S. shipbuilder Nichols Brothers built the twin ships *National Geographic Sea Lion* and *National Geographic Sea Bird*. Nimble, reliable, and intimately scaled, they both continue to sail the waters of the west coast of North America and Central America.

Sea Lion accommodates just 62 guests in 31 outside cabins. Her inviting public spaces foster a sense of shipboard life where everyone is integral to the adventure, engendering a rewarding sense of community and esprit du corps. National Geographic writer Andrew Evans called *Sea Lion* the “closest thing to Cousteau’s *Calypso*” he’s ever had the pleasure to be on.

With a shallow draft and small size, she can easily reach places inaccessible to larger ships. She can venture into fast-moving channels where whales come to feed, transit a series of locks in the Pacific Northwest, nose up to waterfalls in secluded coves, and sail into protected anchorages in small bays perfect for snorkeling and kayaking.
