## ◊ DAY 2

### Milos

Spend the morning exploring the sea caves at Kleftiko, and if conditions allow, get in the water. This afternoon, on the charming volcanic island of Milos, view the Ancient Theater and enjoy an island tour, including a visit to the stunning Sarakiniko, a majestic other-worldly beach cove surrounded by large white volcanic stones. In the small town of Trypiti, visit the 1820 excavation site of 'Venus de Milo,' one of the most famous works of ancient Greek sculpture, now exhibited in the Louvre. This evening, enjoy dinner on board or explore Adamantas on your own. Be sure to stop by the famous ice cream shops.

Meals included: breakfast, lunch, dinner

## ◊ DAY 3

### Sifnos

Sifnos—a local favorite—is a peaceful, rugged island known for its sandy beaches, plethora of churches and trendy food scene. With a scenic upper *chora* (village) that invites exploration, visit quaint little churches that sit precariously on the edge of the sea. This morning, go on a scenic hike and then join a walking tour of the *Kastro*, with an optional cooking

class at a local farm. Our Sifnos visit also offers an optional hands-on pottery experience. Spend the afternoon on board or enjoying the water at a local beach. Whatever your pace, this is the ideal place to explore on foot, whether it's a brisk walk or a lazy stroll along the beach.

Meals included: breakfast, lunch, dinner

## ◊ DAY 4

### Serifos

On Serifos, one of the smaller Cycladic islands, visit the Chora for views across the Aegean Sea. Enjoy a stop at the Mineralogy and Petrology Museum, the Monastery of Taxiarches or spend time in the water enjoying a local beach or kayaking.

Meals included: breakfast, lunch, dinner

## ◊ DAY 5

### Paros

In Paros, explore the charming *Kastro*, visit a winery or join an optional excursion with a local farmer to hear how they make dry-land farming work. Afterward, taste the fruits of their bounty. Visit charming villages along the harbor like Parikia and Naoussa that offer a maze of streets and alleyways to explore.

Meals included: breakfast, lunch, dinner

## ◊ DAY 6

This morning, choose to go on an early hike on Naxos. Visit an olive press museum and meet the fifth-generation owners while sampling cake, oil and marmalades, or enjoy a self-guided tour of the *Kastro*. This afternoon, choose to explore on your own, or join an optional cooking class or optional cheese making activity.

Meals included: breakfast, lunch, dinner

## ◆ DAY 7

### **Delos / Tinos**

The island of Delos is one of the most important mythical and historical sites in Greece and a designated UNESCO World Heritage site. In myth, it's the birthplace of the twin immortals Artemis, goddess of animals and the hunt, and Apollo, god of healing, music and light. Spend the morning surveying the Terrace of the Lions and exquisite Temple of Apollo, two of the many incredible ruins preserved here.

This afternoon, go ashore in Tinos, a smaller and less-visited Cycladic island, for a hike. Visit the artistic heart of Tinos, Pyrgos Village, the Tinos Marble Museum or take part in a basket-weaving activity. Explore the small towns and artisan crafts that make this island so unique.

Meals included: breakfast, lunch, dinner

**Joining the Lindblad fleet in 2013, the state-of-the-art *National Geographic Orion* serves as a luxurious base camp for voyages to the far-flung corners of the planet.**

Built in Germany by the Cassens shipyard, the 102-guest *National Geographic Orion* was created with a high-ice class to be able to venture safely into polar regions. A ship of her size is seldom built with such ice-cutting ability, which makes her a rarity. She is yacht-scale, yet rugged enough to venture far afield, making her a perfect addition to the Lindblad fleet, which she joined in 2013. Her size and nimbleness offer the perfect combination of safety and liberty to voyage untrammeled locations. In fact, *National Geographic Orion* currently holds the distinction of having sailed further south than any other Lindblad vessel.

Her menu, created by famed Australian chef, Serge Dansereau, owner of Sydney's acclaimed Bather's Pavilion restaurant, enormously popular with *National Geographic Orion*'s guests, so impressed Sven Lindblad, that Serge, a chef-owner who shared the Lindblad commitment to serving local and sustainable food, was enlisted to design the dining program for the entire Lindblad-National Geographic fleet.

*National Geographic Orion* is gracious and intimate, with a rewarding, almost clubby feeling. Of her many amenities and features, the most appealing is her outside deck space which beckons in the balmy reaches of the Pacific, and on those days in Antarctica when the midnight sun and the spectacle of the ice makes going indoors, let alone going to bed, impossible.
