Day by day

■ DAY 1

Panama City, Panama / Colón / Embark Ship

Arrive in Panama City, the capital of Panama this afternoon and transfer to Colón to embark the *National Geographic Quest* this evening. Meet your expedition staff and enjoy a traditional Congo music and dance performance. You may opt for a culturally-immersive [pre-voyage extension in Panama City and San Lorenzo](#), a UNESCO-designated World Heritage Site.

Arrival Time: Arrive by 12:00 p.m.

Arrival City: Panama City, Panama

Meals included: dinner

◇ DAY 2

Portobelo / Panama Canal Transit

This morning, explore the area on kayaks, stand-up paddleboards, Zodiac cruises upriver, or go for a snorkel. Portobelo is known for its Spanish colonial military architecture, which is designated collectively as a UNESCO World Heritage site. Visit several of the fortifications as well as the old Customs House, and hear the tales of Portobelo's rich pirate history. Later on, set sail for the Panama Canal. As cargo ships tend to pass through the canal during the day, you'll most likely begin your crossing at night, when the canal is dramatically lit. By special arrangement, *National Geographic Quest* will anchor in Gatún Lake near the Barro Colorado Nature Monument overnight.

Meals included: breakfast, lunch, dinner

◇ DAY 3

Gatún Lake / Panama Canal Transit

Today, choose hikes and Zodiac cruises at the

Smithsonian Tropical Research Institute facility on Barro Colorado Island, or take a boat ride to Gamboa, where the Chagres River meets the Panama Canal, and hike on the Panama Rainforest Discovery Center trails. This evening, continue through the complex lock system of the Canal and venture into the Gulf of Panama.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Punta Patiño Nature Reserve

This morning, arrive along the coast of the Darién Province. Punta Patiño Nature Reserve is Panama's largest private nature reserve and boasts a rich tapestry of habitats that foster biodiversity. Today you will reach the local beaches by Zodiac. Overhead, search for a variety of birds including mangrove hawks, laughing falcons and roseate spoonbills, or, by land, look for crab-eating raccoons and crocodiles. Additional opportunities may be available to walk the beach, kayak in the shallow bay or continue to explore by Zodiac.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Playa Muerto, Darién National Park

Playa Muerto village is located in Darién National Park, the largest protected area in Central America and a UNESCO World Heritage site. The park contains an exceptional array of habitats, from sandy beaches and mangroves to dense tropical forests teeming with wildlife. It is also home to the indigenous Emberá and Wounaan tribes. You'll be greeted by village leaders from the Emberá who will share their customs, traditions and stories about their deep respect for their natural surroundings. Later on, enjoy short nature walks, go birding or choose to join a longer hike into the rainforest in

search of the elusive harpy eagle, one of the world's most powerful eagles.

Meals included: breakfast, lunch, dinner

◇ DAYS 6-7

Pearl Islands

Approximately 200 islands make up the idyllic Pearl Islands. Explore several of the islands in the archipelago, including Isla del Rey and Isla Pacheca, as you learn about the history of the native populations and eventually the Spaniards and African slaves who arrived for the pearl trade. Deep rainforests, lush rivers, white sandy beaches and shallow reefs provide great opportunities for hiking, sea kayaking, stand-up paddleboarding, Zodiac river cruises, beach activities and snorkeling.

Meals included: breakfast, lunch, dinner

■ DAY 8

Balboa / Disembark Ship / Panama City, Panama

Disembark in Balboa and transfer to the airport in Panama City for flights home. Ask your expedition specialist about enjoying a culturally-immersive [post-voyage extension in Panama City and San Lorenzo](#), a UNESCO-designated World Heritage Site.

Departure Time: Depart anytime after 2:30 p.m.

Departure City: Panama City, Panama

***National Geographic Quest*, built in 2017, is designed for sailing into fast-moving channels and shallow coves in pan-American waters.**

When she rolled out of Nichols Brothers shipyard and into the bay on Whidbey Island, the 100 guest *National Geographic Quest* became the third ship in the Lindblad fleet built at this storied Pacific Northwest shipyard. In the 1970s, Nichols Brothers built the twin ships *National Geographic Sea Bird* and *National Geographic Sea Lion*, which continue to sail the waters of the west coast of North America and Central America.

National Geographic Quest was purpose-built to explore the fast-moving channels and narrow straits of Alaska, along the coast of Costa Rica, and into the gray whale nursery lagoons of Baja, her design and engineering informed by our nearly 40 years of experience in these regions. Her twin boarding platforms, for example, were suggested by a veteran staffer. Enabling our team to load two Zodiacs at once means guests get off the ship quickly to take advantage of wildlife sightings and maximize exploring time.

Larger than her siblings *National Geographic Sea Bird* and *National Geographic Sea Lion*, *National Geographic Quest* has the same shallow draft, allowing her captain to navigate the same inner reaches and provide the same intimate, "insider" experiences in these charismatic regions. Modern, clean-lined, with large expanses of glass to keep you connected to the extraordinary views, *National Geographic Quest* enables you to see, do, and experience the best of her geographies.
