■ DAY 1

Papeete, Tahiti, French Polynesia / Embark Ship

Arrive in Papeete, the vibrant capital of French Polynesia. Transfer from the airport to the meetup hotel for breakfast before embarking the ship.

Meals included: breakfast, lunch, dinner

◇ DAY 2

Huahine

Huahine is one of French Polynesia's lesser-visited islands, where lush mountains, sacred archaeological sites and crystalline lagoons offer a glimpse into the region's deep history and enduring traditions. Discover ancient *marae*—ceremonial stone temples that once served as important centers of Polynesian spiritual and community life—and learn about the island's connection to generations of Polynesian navigators and royalty. There will also be opportunities to explore the island's dazzling lagoon.

Meals included: breakfast, lunch, dinner

◇ DAY 3

Taha'a / Ra iātea

Arrive in Taha'a and spend the morning snorkeling its turquoise waters, where you may encounter black-tipped reef sharks. Or choose to go ashore and visit a family-run vanilla farm. This afternoon, visit Ra  iātea, including a stop at one of the most important cultural sites in the Polynesian world: the UNESCO World Heritage-listed Marae Taputapuātea. This large complex was once a center for Polynesian seafarers and the location from which they set out for Hawaii, New Zealand and Rapa Nui (Easter Island). As you explore, you'll

learn about the site's significance in Polynesian history.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Bora Bora

Awake this morning as the iconic crags of Mount Otemanu come into focus. Today, choose to explore Bora Bora either on land or in the water and enjoy a barbecue dinner accompanied by Polynesian music on a private *motu* under the stars.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Tupai / Bora Bora Outer Lagoon

Awake this morning to the stunning blue waters surrounding Tupai, an uninhabited coral atoll rarely visited by travelers and known for its distinctive heart-shaped lagoon visible from above. Spend a day exploring powder-white beaches, crystalline lagoons and coral gardens. Snorkel alongside tropical fish in remarkably clear water, stroll deserted motus edged with coconut palms or simply relax in one of the most remote corners of the South Pacific.

Later this afternoon, continue toward the outer lagoon of Bora Bora, where the silhouette of Mount Otemanu rises dramatically above the horizon. As the sun sets across the lagoon, enjoy an evening on deck while the ship repositions overnight toward Mo'orea.

Meals included: breakfast, lunch, dinner

◇ DAY 6

Mo'orea

This morning, arrive at the lush volcanic island of Mo'orea, where towering emerald peaks, deep bays and vibrant lagoons create a breathtaking backdrop for your final day of exploration. Venture inland through tropical forests to panoramic viewpoints overlooking Cook's and Opunohu Bays, kayak or paddleboard across calm turquoise waters, or snorkel among coral reefs teeming with marine life.

Meals included: breakfast, lunch, dinner

◇ DAYS 7-8

Mo'orea / Papeete

Begin the day with one final opportunity to explore the lush landscapes and crystalline waters of Mo'orea before sailing to Papeete. The vessel will remain in port overnight, offering a rare chance to experience the energy and charm of this vibrant capital after dark. The following afternoon, set sail for continued exploration of the surrounding islands.

Meals included: breakfast, lunch, dinner

◇ DAY 9

Makatea

An uplifted coral atoll, the island of Makatea is among the Pacific's most unusual and geologically fascinating landforms. Raised dramatically from the sea by tectonic forces, Makatea stands in striking contrast to the region's low-lying atolls, with towering limestone cliffs and rugged elevated terrain. So distinctive is this rare formation that the island's name has become the term used for uplifted coral atolls around the world. Spend the day with your naturalists and local guides, in search of endemic fruit doves and a myriad of seabirds. Explore the island's limestone caves and swim in the crystal-clear waters of its stalactite- and stalagmite-filled grotto.

Meals included: breakfast, lunch, dinner

◇ DAY 10

Rangiroa

The atoll of Rangiroa is a necklace of slender islands surrounding one of the world's largest lagoons, renowned for some of the finest snorkeling in French Polynesia. Beneath the turquoise waters, marine ecosystems harbor large schools of reef fish, dolphins and other marine life. Snorkeling offers an immersive way to experience this extraordinary South Pacific paradise.

Meals included: breakfast, lunch, dinner

◇ DAYS 11-12

Fakarava

Arrive at Fakarava, one of the largest atolls in French Polynesia and part of a UNESCO Biosphere Reserve renowned for its extraordinary marine life and biodiversity. Go ashore in the village of Rotoava, where there will be opportunities to explore by bicycle, browse local pearl shops or stroll the waterfront.

Meals included: breakfast, lunch, dinner

◇ DAY 13

At Sea /Mo'orea

Arrive at the lush volcanic island of Mo'orea, where towering emerald peaks, deep bays and vibrant lagoons create a breathtaking backdrop for your final day of exploration. Joining the Lindblad fleet in 2013, the state-of-the-art *National Geographic Orion* serves as a luxurious base camp for voyages to the far-flung corners of the planet.

Built in Germany by the Cassens shipyard, the 102-guest *National Geographic Orion* was created with a high ice class to be able to venture safely into polar regions. A ship of her size is seldom built with such ice-cutting ability, which makes her a rarity. She is yacht-scale, yet rugged enough to venture far afield, making her a perfect addition to the Lindblad fleet, which she joined in 2013. Her size and nimbleness offer the perfect combination of safety and liberty to voyage untrammelled locations. In fact, *National Geographic Orion* currently holds the distinction of having sailed further south than any other Lindblad vessel.

Her menu, created by famed Australian chef, Serge Dansereau, owner of Sydney's acclaimed Bather's Pavilion restaurant, enormously popular with *National Geographic Orion's* guests, so impressed Sven Lindblad, that Serge, a chef-owner who shared the Lindblad commitment to serving local and sustainable food, was enlisted to design the dining program for the entire National Geographic-Lindblad Expeditions fleet.

National Geographic Orion is gracious and intimate, with a rewarding, almost clubby feeling. Of her many amenities and features, the most appealing is her outside deck space which beckons in the balmy reaches of the Pacific, and on those days in Antarctica when the midnight sun and the spectacle of the ice makes going indoors, let alone going to bed, impossible.
